

## Newsletter No. 9

**29 March 2023**

The vision of St Lawrence Catholic Primary School, Balcatta is to share the message of God's love and friendship in a community of learners, developing the full potential of each child.

Dear Parents and Caregivers

On Saturday, it was the Feast of the Annunciation, which marks when the Angel Gabriel visited Mary to announce to her the special mission God had chosen for her in being the mother of his only son. Though frightened, Mary's response of "yes" facilitated Jesus' presence in the world.

The Feast of the Annunciation is a time for us to review our own faith journey. We are called upon to nurture the word of God within us and bring Christ into the world, not in the same way as Mary, but by using our own gifts and talents to bring Christ into the lives of others.

As we continue in this season of Lent, let us recognise where God is calling each of us and follow the path of Mary. We can do great things through Him when we say 'yes' to his plan for us.

## **Christ Centred Communities Lent Reflection**

Sunday 26<sup>th</sup> March was the fifth Sunday of Lent. In the Gospel reading, Jesus hears that his good friend, Lazarus, the brother of Mary and Martha, is sick and near to death, however Jesus does not rush to see Lazarus or comfort his family, he takes his time. On arriving Jesus finds that Lazarus has already died and been in a tomb for four days. As Jesus approaches the house he is met by Martha, who is not happy to see Jesus. She says to Jesus, “if you had been here, my brother would not have died.” Martha then continues with deep faith and belief in Jesus and continues by saying, “but I know that, even now, whatever you ask of God he will grant you.” Although Martha is angry with Jesus, she has not given up on him. Jesus, full of compassion and love, raises his friend from the tomb.

This Gospel reading is like a signpost leading us to Easter. On Holy Thursday, we will journey with Jesus as he is betrayed, denied, condemned, beaten and crucified. It is important to remember that Jesus’ death is only a stage on the journey, not only through Lent, but in our lives. Throughout every day of our lives, Jesus offers us the promise and hope of new life as he did in the Easter journey.

*Dear God,*

*You have given the human race, Jesus Christ our  
Saviour as a model of humility.*

*He fulfilled Your Will by becoming Man and Gave  
His life on the Cross.*

*Help us to bear witness to you by following your  
example of suffering and make us worthy to share  
in the Resurrection.*

*We ask this through Christ our Lord*

*Amen*

## Catholic Schools of Excellence

The past few weeks have been extremely busy. We have had Grandparents Day, Harmony Day, the Interschool Cricket Carnival and Parent Meetings. I would like to thank all our parents and caregivers who attended these events, we appreciate your ongoing support.

On Friday we had our annual ride to school day. It was wonderful to see so many families riding their bikes together or walking to school on this day. Thank you to all our families who supported this worthwhile initiative and to all the staff who helped to plan this event or assisted on this day. It was great to see how much joy it brought to the children and adults who participated.

On Friday, I attended the Cricket Carnival with Mrs Major, Mr Haydon, Mrs Austin and Mr Tonge. My knowledge of cricket is minimal, so I spent the whole morning avoiding being asked to referee a game. Thank you to Mrs Major for all her hard work preparing the children and organising this event. I was extremely proud of all the children who attended the carnival, their behaviour was exemplary. They made Jesus real in many ways, including the encouragement they gave to both their teammates and their competitors. It was a pleasure to see them representing our school in such a positive way, whilst upholding our Core Values of *Joy, Courage and Unity*.

## Catholic Pastoral Communities

At the end of 2023 teachers worked collaboratively with our student leaders and groups of students from different year levels to develop a clear flowchart to assist our students if they feel unsafe, have a problem, suggestion, or complaint. The flow chart has been completed and teachers will introduce the Flowchart in their classrooms at the start of Term 2. Posters will be placed in classrooms and common areas around the school.

All students at St Lawrence have the right to feel **SAFE** and **HAPPY** at school, at all times!  
These are the people you can talk to if you ever feel unsafe, or have a problem, suggestion, or complaint.

<b>YOUR CLASSROOM TEACHERS</b>

<b>Your classroom teacher is responsible for making sure you are safe, happy and learning at school. You can always talk to them.</b>

<b>OTHER STAFF MEMBERS YOU GET ALONG WITH</b>

<b>Sometimes you may not want to talk to your classroom teacher. Find another staff member you trust and get along with, and talk to them.</b>

### Sustainable Catholic Communities

Stewardship is all about our responsibility to look after our beautiful world and God’s creation. God created Earth for all, and we are now stewards of this creation. This means it is our responsibility to look after and take care of our world. Through Religious Education lessons we teach the children to appreciate God's gift of creation and how they can take care of the environment. We teach them about how they can help to make the world a better place for all.

Our Environmental Leaders are doing a wonderful job accepting their responsibility to care for our world. We are very proud of their commitment to sustainability, and we look forward to involving our leaders in more school initiatives this year to give them a sense of responsibility to look after their school environment as well as their future environment.

HI WE ARE THE 2023 ENVIRONMENTAL LEADERS  
WE WILL SHOW YOU SOME OF THE JOBS WE DO:

-HANDING OUT THE ENVIRONMENT AWARDS FOR  
CLEANEST LUNCH AREA AND CLEANEST BAG AREA

-EMPTYING BINS

-TAKE OUT THE CONTAINERS FOR CHANGE BIN

May God bless our school.

# RAINBOWS PROGRAM

It is not too late to register your child/children for the Rainbows Program for 2023. Our Rainbows Program is shortly due to commence in Term Two.

Rainbows is a peer support program for children living in a single parent or stepfamily, or who have suffered a significant loss in their life. Children meet in small groups where they are helped to identify what they may be feeling and are given some strategies to help process those feelings. It provides children with an opportunity to express their feelings in a safe and confidential setting. Grief is a normal reaction to a significant loss. Often, children do not express their grief verbally, so it surfaces in their behaviour, schoolwork, as a physical ailment or it affects their emotional development.

If you would like to register your child/children for the Rainbows program or would like further information, please email me at [louise.frenzel@cewa.edu.au](mailto:louise.frenzel@cewa.edu.au)

*Mrs Louise Frenzel, Rainbows Coordinator*

## PHYSICAL EDUCATION NEWS

Well, what a busy week we have had in sport! Some of the Year 5 and 6 students participated in the NECPSA Inter school Cricket Carnival last Friday and did a fabulous job. I was very proud of their wonderful performances and their excellent sporting attitudes.

We had a visiting squash coach and had a lot of fun trying something new in the inflatable squash courts in the hall.

We have also been having a great time in gymnastics lessons. We have been looking at counter balance and counter tension and working with partners and in groups. I have been super impressed with some of the amazing balances that the students have come up with. Everyone is trying so hard, keep it up!
