

PERSONAL ADVOCACY SERVICE

We Need You

Personal advocacy group meets every Wednesday

During school term in your parish. Your parish group is in desperate need of volunteers

You would walk the faith journey together with the group, as part of a structured group community. No experience is necessary, just an open heart.

- Go to our website www.paswa.org.au and look at the FAQ and the various pages, OR request an **information session**.

This can be in your home or at Personal Advocacy in Morley.

- Come to an **observation** at Morley. (**RSVP Essential**). This gives you the opportunity to observe a group being run.

You can gain a sense on the program, observe the friendships and see if this really is something you would like to be part of.

- Volunteer **training** is a requisite:- Details provided at the Observation Session.

All training sessions will be conducted at

**Personal Advocacy Resource Centre,
28 Holdhurst Way, Morley**

If you want to find out more or RSVP, Please contact Lorraine from your parish on 0419 801 545 or Roma on 9275 5388/0411099719
